

The CAI-NC LEGISLATIVE ACTION COMMITTEE (LAC)

The LAC is actively seeking contributions from homeowner associations to fund its lobbying efforts with the North Carolina General Assembly. The NC LAC hopes to have all associations donate the sum of \$1 per household in their association on an annual basis - hence, the "Dollar-a-Door" campaign. The LAC is also seeking donations from management companies and affiliated business partners.

The LAC is instrumental in lobbying the NC Legislature on pending or proposed legislation that affects HOA's.

Why Donate? | Because homeowners associations are more and more in the crosshairs of certain legislators, defending the purpose and powers of homeowners' associations has grown increasingly more expensive.

To contribute, please tear off the attached contribution form and return this form with your payment.

Thanks for your support!
